Premium broiler feed pan

Pan diameter	324mm
Pan rim height	65mm
Pan base thickness	2.9mm
Pan base to pipe center height	245mm
Grill sections	6
Rim to grill-top height	38mm-85mm
Feed level settings	6
Feed volume at level 1	0.775kg
Increment per level	0.05 kg (average)
Maximum feed volume	1.025kg
Material	PP+ABS
Pan weight	0.722kg
Max. birds per pan	40-50 birds

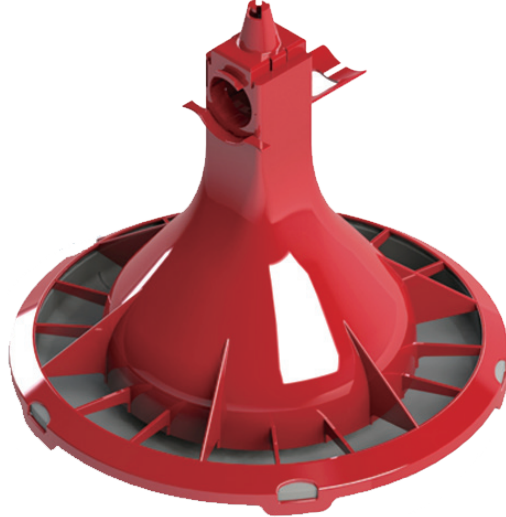

Pan diameter	324mm
Pan rim height	64mm
Pan base thickness	2.6mm
Pan base to pipe center height	245mm
Grill sections	12
Feed level settings	6
Material	PP
Maximum feed volume	1.1kg
Max. birds per pan	40-50 birds

Premium broiler feed pan

Pan diameter	380mm
Pan rim height	40mm
Pan base thickness	3.0mm
Pan base to pipe center height	272mm
Grill sections	18
Maximum feed volume	2.1kg
Material	PP
Pan weight	0.8045kg
Max. birds per pan	45-55 birds

Pan diameter	370mm
Pan rim height	56/64.5mm
Grill sections	16
Pan base to pipe center height	243mm
Feed level settings	12
Material	PP
Maximum feed volume	1.259kg

Premium broiler feed pan

Pan diameter	336mm
Pan rim height	54mm/90mm
Grill sections	8
Grill opening width	108mm
Feed level settings	9
Material	PP
Max. birds per pan	45-55 birds
